🎓 Full time | Residential

About the Programme

An educational experience that prepares reflective citizens capable of meaningful engagement in work and in society.

Rich and Comprehensive Programme

Multidisciplinary Education: Our Undergraduate Programme allows you to experience the full range of holistic and interdisciplinary education in addition to your chosen subject. The flexible curricular structure enables you to make creative combinations of disciplines for study, thereby creating new avenues for lifelong learning.

Building Work Readiness: The Programme will prepare you for the world of work. Choose from various occupational themes that equip you with the required skills and competencies - Education, Media and Journalism, Data and Democracy, Sports and Fitness, Climate Studies, and Arts. At Azim Premji University, we shape you to be a creative and thoughtful citizen who can express and think critically about the world in which we live.

4-Year B.A. Honours, B.Sc. Honours Programme

Disciplinary Major -

The programme offers majors in -

- **B.A. Honours degree: Economics | English History | Philosophy | Social Science**
- **B.Sc. Honours degree: Biology | Mathematics Physics | Chemistry | Environmental Science and Sustainability**

*Option to pursue semester-long research

Occupational Minor

The occupational minor aims to provide conceptual understanding and skills to prepare them for the world of work.

Students can opt for one of the areas listed below -

Education | Media and Journalism | Data and Democracy | Sports and Fitness
Climate Studies | Arts

Students may also pursue a semester-long internship in the area of occupational minor.

4-Year B.Sc. B.Ed. Dual-degree Programme

Disciplinary Major -

The programme offers a dual major in -

- **Biology | Chemistry | Mathematics Physics and Teacher Education**

Connecting the science specialisations (Biology, Chemistry, Physics, Mathematics) with practice-based perspectives in teaching.

Teacher Education

The areas included here are Perspectives in Education, Curriculum, Pedagogy and Assessment and Professional Practice to help students grow into the role of a thoughtful and responsive teacher. Semester-long **teaching internship** at Azim Premji Foundation School.

Common Curriculum - Introduces students to study the themes and areas that build critical and analytical abilities, sensibilities for dialogue, reflection and cooperative learning. The areas of study are Foundations, Understanding India and Creative Expressions.

Flexible credits - Students will have several courses to opt for flexible credits. These courses enhance quantitative reasoning and language skills, broadening students' understanding outside their subject majors. Students can also do a disciplinary minor through flexible credits.

Campus life at Azim Premji University

Student Clubs

You can pursue your interests and talents and discover new things through student clubs - music, sports, photography, cinema, theatre, poetry and much more. We also have clubs for Subjects like biology, mathematics, physics and economics! We host events, exhibitions, workshops, expert lectures and student projects.

Events and Celebrations

We always take every chance to get together and celebrate. Annual cultural festivals, fairs, exhibitions, challenges, farewells and convocations - our campus is always bubbling with energy. It will keep you engaged, and there is always something for you to do on campus.

Safe and Nurturing Environment

Fostering a supportive and nurturing environment is essential for students' overall well-being. Our community thrives on mutual care and respect. We offer academic and language support for students in need. They can access faculty mentors and professional mental health counsellors.

Why Azim Premji University?

A world of possibilities awaits our graduates. So far, six batches have graduated, and they have taken up exciting avenues for their future in careers and academics.

6 Batches | 700+ Graduates

- Our Programme is a rigorous and comprehensive blend of theory, practicum and occupational exposure, enabling students to understand the subject deeply.
- Expand your horizons through flexible courses and craft your own educational journey.
- We work to make the campus inclusive for everyone, which helps create an understanding and celebration of differences.
- We have a dedicated placement cell for students to explore meaningful work opportunities. The cell also provides training on personal and professional aspects.

“At the interaction of Biology, Maths and Computation, something truly wonderful happens”

Revathi Sreenivasan, Clinical Programmer
(B.Sc. Biology | 2015-2018)

“I believe networking and communication is as important as learning the subject matter, be it Astrophysics or Economics”

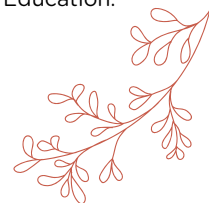

Siddharth Bhatnagar, Pursuing his PhD in Astrophysics
(B.Sc Physics | 2016-2019)

Since its establishment in 2010, Azim Premji University has focused on the highest quality of education, driven by excellence. Committed to contributing to a just, equitable, humane and sustainable society, Azim Premji University is a vibrant and inclusive space for every student.

The University offers postgraduate degrees in Education, Development, Economics and Public Health. It also offers undergraduate degrees in Social Science (Economics, Social Science), Science (Biology, Chemistry, Environmental Science & Sustainability, Physics and Mathematics) and Humanities (English, History and Philosophy); and a dual degree in Science and Teacher Education.
